Welcome to 1RNsmartazz.com! We're so happy you found us! We decided to start this enterprise for the lack of smartazz nurse/medical humor out there. Yes, a person can always find the sweet Florence Nightingale stuff but never the real world smartazz stuff. So...here we are. BOOKMARK us and pass the word...all gossip appreciated! [SHOP 1RNsmartazz](#) We have everything from smartazz t-shirts to bumper stickers, coffee cups to boxer shorts and more! Oh, and let's not forget the non-medical folks....we have great gifts for them too!!

The Gasping Ant, our brand new shop, is now open! This newest shop features warped humor for everyone. We have everything from vegan gifts to political humor, holidays gifts, special occasion, Earth Day gifts and more. Take a peek! [SHOP the Gasping Ant](#). We have something for everyone. BOOKMARK us and check back frequently. We are still under construction and updating often!

Be nice. I could be your nurse some day.
